

## TAILOR-MADE TABLE

## Extra information

After you select your ideal wood colour, we will tailor-make your dining table! The tables are entirely made of solid oak. We can supply the tables with various supporting sub-structures. Do you prefer robust X-shaped or U-shaped legs? In addition, there are various optional finishes. For example, you can choose unfinished steel with a rough finish or completely powder-coated in black.

## Technische specificaties

Table
