

ACCESSORIES COLOUR BOX ASSEMBLY SET

Extra information

It is also possible to install the Looox Colour BoX on the wall. To do so you must use the Looox Colour BoX Assembly kit. With the assembly kit you can mount the colour box on the wall. Installing the Colour BoX is really simple.

The Assembly kit comes with a manual with easy installation steps. The storage box can also be added to an existing bathroom interior. This way you create a whole different appearance.
