

LIGHT COLLECTION LIGHT

Extra information

Lighting is essential for atmosphere. With the daring LooX Light Collection, you give each area a refined and elegant touch. The LooX Light Collection consists of gorgeous hanging lamps which are available in two different lengths or as a set. The lamps have atmospheric and energy efficient led lighting and are available in the colours **matt black**, matt white or brushed stainless steel.

The LooX Light Collection can be perfectly combined with the other products from the LooX **Wood collection**. Of course, this LooX item is also suitable for other areas in the home!
