

CLOSED COLLECTION WASTE BIN

Extra information

Thanks to the LooX CL11, the waste bin can be neatly hidden away in the toilet room or bathroom. Hygienic, practical and stylish! Thanks to the CL11, a separate waste bin is no longer necessary. This integrated waste bin with storage compartment is neatly hidden away in the wall but always to hand. This enables you to create a tidy look and the waste bin is out of sight.

With the CL11, the visible edge and inside is in the same colour. The robust tileable CL11 is available in brushed stainless steel, anthracite or white.
