

# SPECIAL COLLECTION CORNER SHELF

## Extra information

The Looox Corner Shelf is an ideal bathroom accessory. With our Looox Corner Shelf, you always have your shower products to hand. A practical and stylish bathroom solution. Bath products, shampoo bottles and tubes... how do you prevent them ending up messily on the shower room floor? Our Looox Corner Shelf is the solution.

The Looox Corner Shelf is a stylish alternative for the average shower rack and is integrated in the grout lines in the tiles. The product can be perfectly combined with the other products from the Looox collection and is made of high quality stainless steel. This makes the product ideal for the shower room. Available in **brushed stainless steel** and the colours anthracite, white and matt black.
