

SPECIAL COLLECTION BOX

Extra information

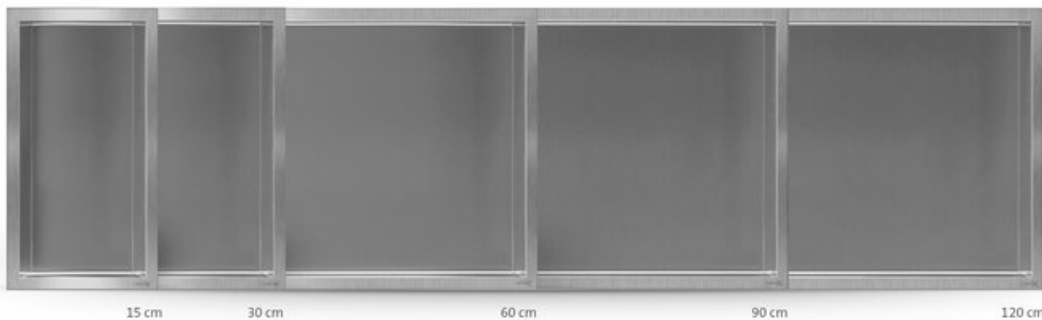

Use all the space you have with the LooX BoX! The stainless steel integrated recesses are stylish, practical and complete your bathroom. The LooX BoX is a practical bathroom accessory which enable you to categorise your shower products. The integrated recesses are easy to install. Tip: view our LooX BoX installation video too.

The storage box has an installation depth of 7 or 10 cm and is available open and closed. Do you prefer to keep your bathroom products behind a door? Then choose the LooX BoX (door).
