

SPECIAL COLLECTION AIR

Extra information

Looking for a stylish ventilator grille? Then choose our LooX Air vents. Ventilation grilles are indispensable in the bathroom, because a good ventilation system prevents problems with condensation in the bathroom. The ventilation grilles in your bathroom, toilet and kitchen are not always in harmony with the lovely designer products in these rooms. However, that's now a thing of the past with the LooX Air. Give the area a streamlined design with the LooX Air. This square or round stainless steel air vent with clamp mounting is suitable for the shower room, for example.

The grille is easy to mount. The LooX Air is suitable for ceiling or wall mounting. Also available with screw attachment (only square).
