

# SINK COLLECTION CERAMIC RAW

## Extra information

The Sink Collection consists of three types of washbasins. First, a series of wafer-thin ceramic washbasins, called the Ceramic Raw.

### Craftsmanship by professionals

These washbasins are finished by hand, so each product has a unique signature. This rugged finish assures you of a bold and audacious look! Available in the colours black, dark grey, light grey and rust. Which colour do you prefer? Tip: match the colour of the tap with the colour of your washbasin. The ceramic washbasins have the dimensions Ø400 x 150 mm.
