

SINK COLLECTION CERAMIC

Extra information

The Sink Collection consists of three types of washbasins. Do you prefer an elegant, white washbasin? Then check out the Ceramic series!

Timeless design

This series consists of three stylish and free-standing neutral washbasins that always match the style of your bathroom. The round version has dimensions of Ø400 x 150 mm. The square version has dimensions of 410 x 410 x 145 mm. Lastly, we have a rectangular variant with dimensions of 490 x 400 x 145 mm.

Great decorating tip: combine the washbasin with our [LooX Light](#) with a white colour finish.
