

# WOOD COLLECTION **WOODEN CABINET**

## Extra information

Can you use some extra storage space in the bathroom? Then we have the solution! The LooX Wooden Cabinet is perfect if you have lots of stuff. This handy storage cabinet has a reversible door that can open to the left or right. The cabinets are made of solid oak and are manufactured with passion and precision in our furniture workshop. The LooX Wooden Cabinet is fitted with high-quality BLUM hinges that enable the door to open 155 degrees. Available in the dimensions 170 cm (height), 40 cm (width), 30 cm (depth) with an old grey colour finish (standard LooX colour).

## A unified whole

The products in our LooX Wood Collection perfectly match this newcomer. Mix with a playful [storage box](#) or a vanity unit. Or check out our total bathroom [collection](#) here.
